

Michaël Verheyden

Essential Accessories

Based in Belgium, Michaël Verheyden graduated as an Industrial Designer just over a decade ago, and has already distinguished himself as an inspired, award winning designer of home accessories.

Recognising the need for quality and beauty in the practical, he uses innovative techniques and works with beautiful natural materials. Carefully chosen leathers, stones, woods and bronze all feature in his designs. He devotes time and care to finding new ways to construct the everyday. He is also very aware of the range of objects that are needed for comfortable daily living in all areas of the home and office, so often overlooked by others.

Willer holds a selection of pieces from the full range.

The full catalogues are available to view at Willer, the exclusive representative of Michael Verheyden in the UK.
